TUMAMOC
ART & SCIENCE
COURSE
Observational Drawing
Skills for Field Notebooks

Saturdays in May 2018
5/8, 5/12, 5/19 and 5/26
9-11 am, at the Desert Laboratory
on Tumamoc Hill

Go behind the scenes of the Desert Lab
on Tumamoc Hill. This inaugural 4-week
mini course will link the art and science
of keeping and illustrating a field
notebook.

Led by expert illustrators
Paul Mirocha, Bill Singleton, and
Barbara Terkanian, accompanied by a rotating
cast of the scientific experts of Tumamoc Hill.

Learn how to create a visual vocabulary and
enhance your powers of observation through
the diverse lens of Tumamoc Hill.

The fee for this extended workshop is $275 plus fees
and materials. NOTE: This course is not for credit.
